

Mrs Alison Evison

Chair

Mrs Alison Evison served as President of COSLA from 2017-22, leading a diverse organisation and developing partnerships across the Public and Third Sectors. She represented Local Government in the formulation of the Covid response and recovery strategies at a national level. In addition, Alison served as Chair of the Improvement Service during a time of organisational change. She is recognised for supporting diversity in office and for encouraging inclusion for all. Alison was honoured to have been appointed by care experienced young people in Aberdeenshire as their champion. She has held office as Co-Leader of Aberdeenshire Council and continues to serve as a local councillor, engaging regularly with people across the communities of the Mearns and focusing on community planning with local partners.
