

Tracy Colyer

Non-Executive Board Member

Councillor, The Moray Council

Tracy moved to Moray a few years ago with her husband and dogs, from the hustle and bustle of life in London & Kent.

She stood in the 2022 local elections to become a councillor to help make a difference for the residents of Moray.

Being passionate about improving healthcare rurally, Tracy was fortunate to be appointed as Chair of Moray Integration Board and to NHS Grampian as a Non-Executive Board Member.

Tracy studied Child Psychology and spent many years working in the field of childcare in both the public & private sectors. Before becoming a councillor Tracy worked as an administrator in an international clothing business whilst being on the Board of Directors of an Apartment Complex.

Outside work, Tracy enjoys many interests including quizzes, cooking & entertaining and dancing; and, of course, with the beautiful beaches of Moray, walking her 2 Miniature Schnauzers is a pleasure.

Tracy feels one of her greatest achievements was to organise a 10k walk for Breast Cancer Care in 2018 raising over £50,000. She is hoping to do similar in the future in Moray for Breast Cancer Now.
